Supplementary Materials for

Chapter 2. Online search data on juvenile inflammatory rheumatic disease: an adjuvant to Patient and Public Involvement and Engagement in health research

Shall be considered in conjunction with the

Thesis submitted in accordance with the requirements of the University of Liverpool for the degree of Doctor of Philosophy

by Syed Abu Bakar Siddiq

Department of Health Data Science

2026

= For reproducibility only in academic research and development =

Data table (1-3) of "Online search data on juvenile inflammatory rheumatic disease: an adjuvant to Patient and Public Involvement and Engagement in health research":

=For reproducibility only in academic research and development=

Table 1: A list of searches on **Juvenile idiopathic arthritis (JIA)**
